(850) 329 - 6753

Dear Parents / Guardians,

We at Warriors Path Fighting Systems would like to welcome you and your family to our afterschool kid's program. We provide safe school pickup, martial art training, homework help, tutoring and other various learning experiences. Not only do we have coaches that specialize in teaching all of the martial arts we offer, but your child will learn aspects of the martial arts lifestyle. Your child will learn about being healthy, eating right, healthy weight, self esteem building, self discipline, and self defense.

### Typical day at Warriors Path Kid's Program:

- Kids arrive and get ready for boxing training with Coach Ackabar
- snack time
- Homework and/or reading time
- Kickboxing
- Judo
- Parents pick up

Keep in mind the above is just a rough guideline. We show G Rated movies occasionally.

Please make sure if your child (ren) is coming from school that your child is dressed appropriately (shorts, short sleeve shirt and sneakers) or has a change of clothes. At this time we do not provide snacks, so please provide your child (ren) with some. We sell bottled water and various snacks for \$1.00. We are always open to any questions, comments you may have, so feel free to talk with **Rose Haskins**, [info@warriorpathfighting.com](mailto:info@warriorpathfighting.com) at any time. We look forward to seeing your child (ren) this coming school year.

Thank You
